# Challenge 2018 Challenge

Barlow Memorial Library Summer Reading Program

Join [Writer, National Ambassador for Young People's Literature](#), and [MacArthur Genius](#) Gene Luen Yang in the **READ Without WALLS Challenge**. Reading without walls will get you out of your comfort zone and build empathy. **EMPATHY** is a building block for a better world.

**Empathy** is the capacity to understand or feel what another person is experiencing from within the other person's frame of reference, i.e., the capacity to place oneself in another's position. Empathy is seeing with the eyes of another, listening with the ears of another and feeling with the "heart" of another.

**Challenge #1** Read a book about a character who doesn't look like you, live like you or live in your state.

**Challenge #2** Read a book about a topic you don't know much about.

**Challenge #3** Read a book in a format that is new to you: eBook, Graphic Novel Book, Picture Book, Chapter Book, Poetry Book.

**Complete ALL 3 Challenges + Write summary (3)**

Library will purchase **1 BOOK** (plus 1 drawstring bag) of your choice!

**Last day to turn in Reading Challenge: August 1st, 2018**

## What is a **Reading Contract / Log?**

The Reading Contract is a signed paper which sets the goal for the number of minutes you will read this summer. We recommend at least 700 minutes (only 1 hour 40 minutes per week). The Reading Log is a chart where you log your minutes read (15 minute per star). When your goal is reached, please turn your Reading Log into a librarian. Kids and their parents/ caregivers will be responsible for keeping track of minutes read.

## What is the **Reading Without Walls Challenge?**

This is a challenge to encourage kids to read about characters and topics that are new to them. The challenge is to help promote the acceptance of diversity, encourage learning new information, using new formats. See Reading Without Walls Challenge sheet in package.

## What is acceptable **Reading Material?**

Kids may read, listen or be read to. Audio books and ebooks count too! Material selected should be within each child's reading level.

## What is a **Kid Kit?**

Kid Kits are educationally based activity kits that are chosen to entertain and stimulate kids. A Kid Kit binder on the Kid Librarian's desk displays all the available kits. Each kid will choose 1 kit which will be ordered when the Reading Contract is completed and turned into Kids Librarian. Money for Kid Kits is donated by Friends of the Library.

## What is the **GUESS Jar?**

Each week the GUESS Jar which sits on the Kid Librarian's desk will be filled with different items. Kids guess the number of items (1 guess per kid). The winners will choose 1 fun prize.

## What is the **Performer of the Week?**

Some weeks a professional entertainer will come to the Barlow Library and perform in the Community Room. Admission is free, check brochure for dates and time. Preference will be given to kids enrolled in the Summer Reading Program. Money for the performers is provided by Friends of the Library and donations given by individuals.

## What is the **Reader of the Week (ROW)?**

Each week 3 kids will be randomly drawn from the ROW Box. Kids must be participating in SRP and have read at least 100 minutes that week to enter. Winners will select one book from the Book Cart.

# READER OF WEEK

# DRESS LIKE A PIRATE!

July 17th Tuesday at 2pm  
Barlow Library Community Room

Jester Puppets began its relationship with Wizard World in 2017 and continues this year as we travel across the country with several different shows, including the headliner "H.E.R.O.s," our anti-bullying program.

During the summer, though, our eyes are set on the horizon of Summer Reading with

## "Jolly Roger: A Musical Pirate Adventure!"

In this Jester Puppets original, there will be a few familiar faces, along with some brand new characters who join in for the adventure. But everyone will need to keep a weather eye out, for a kraken may be near...

The word for this summer is INTERACTIVE, and we are encouraging kids to come to the show dressed like pirates! Kids will learn to walk like a pirate and talk like a pirate to truly become part of the Jolly Roger experience.

So swab yer decks and batten down your hatches 'cause Jester Puppets is ready to make port in your favorite library!

# HANSON FAMILY

## Jugglers & Unicyclists

**Location: Barlow Memorial Library**  
**Date: June 25<sup>th</sup> 2018, Monday**  
**Time: 2pm Community Room**

### **THE WORLD RECORD SETTING HANSON FAMILY JUGGLERS TO PERFORM AT Barlow Memorial Library.**

The Hanson Family Jugglers and Unicyclists from Kanawha, Iowa, will perform their Library Summer Reading Program on June 25<sup>th</sup>, Monday at @2pm at Barlow Memorial Library in the Community Room.

Mark Hanson, a two-time Guinness World Record holder for speed juggling, his national unicycle champion daughter, Christa, and the rest of the Hanson Family, are bringing their talents to their highly acclaimed library program.

Bring your kids to hear inspiring stories and watch the Hanson family perform amazing juggling and unicycle tricks they have showcased on two occasions for the world-famous Harlem Globetrotters basketball team.

Discover how to improve yourself through reading and be challenged to learn new skills. Volunteer for a chance to survive the spine tingling Juggling Tornado of Doom! Take part in the juggling lessons and balance skill challenges after the show.

## **July 24th @ 2pm Barlow Library Community Room**

**THE HILLBILLY SILLY SCIENCE SPECTACULAR** is an amazing stage show like none other out there! We've all seen scientist shows, and we have seen comedy shows --- but this new show concept goes beyond description. It is insanely unique and hilarious! Unlike other science stage shows, this is more than just a guy in a lab coat - it is a theatrical experience with story lines, music, costumes, and decorated sets that presenters and audiences love.

The beauty of the show is that it combines clean family humor with educational material. Kids will learn about basic science concepts and developing a hypothesis for what will happen with each experiment. There are also positive message undertones regarding keeping motivated for success and staying in school, as well as safety! It is approved by both parents and educators - and children LOVE it!

Each show contains fast paced antics, clean humor, visual props, audience participation, and amazing science experiments that will blow the audience's minds away! The "chemistry" Dr. Beaker has with the audience is amazing and creates hilarious banter and spontaneous comedy tidbits! Whether talking about dinosaurs, looking into the magic of winter weather, or just having fun with chemistry - there is a show for everyone.

This is one of the most insane series of BIG STAGE shows out there for science, featuring huge visual props, detailed backdrops, amazing science experiments, and crazy explosions of hillbilly proportions! It is one of the most unique and crowd-captivating touring science shows out there - perfect for Fine Art Centers, Grandstand Shows at the Fair, Opera House venues, Cruise Ship entertainment, school assemblies, and so much more! There is a reason that many venues bring the show back time and time again!
