

# Read Beyond the Beaten Path!

## Robert W. Barlow Memorial Library Summer Reading Program 2022

Dear parents and kids,

School will soon be out for the summer and the Barlow Library is gearing up for our summer reading program! Our theme this summer is *Reading off the Beaten Path*. The program itself is simple: You read and earn prizes! There is no registration for this program or any of our events. Everyone is invited to participate! All events are open to anyone, but prizes are only available for kids entering pre-school through 5th grade. As always, library programs are FREE!

### What is included in this packet?

In this packet you will find the following:

- **A BINGO Card-** This card encourages kids to read, use library resources and get outside! Once you get a BINGO, bring your card in and you will receive \$5 in Chamber Bucks that you can spend (almost) anywhere in Iowa Falls.
- **Reading Logs-** Keep track of how many minutes you read (no matter how many) every day in June and July! Anytime you read, listen to an audiobook, or someone reads to you, write down your minutes on the calendar. At the end of July return your sheet and you can pick a book from our librarian's selections that the library will purchase. It will be yours to keep!  
\*\*\*If you return both the BINGO Card **and** your Reading Logs you will get to choose a 3D image to print and it will be yours to keep!
- **Program Information**-These programs are completely FREE, open to all ages and no registration is required. Come to one or come to all!
- **Grab & Go Crafts**- We will have a new craft every week during June and July! Every Monday a new craft will be put out. The crafts will be available on a first come, first serve basis for you to take home and create.
- **Adventure Pass Information**-The Barlow Library is participating in a program that allows library patrons to check out a pass for 2 adults and 2 children to the Blank Park Zoo, Reiman Gardens and the Science Center of Iowa. See the info sheet for more details!
- **Obstacle Course/Mural Information**- Follow the signs and path from the library front doors to take you around to the side of the library where you can use the chalk provided to color and add your own designs to the mural!

The items above in **green** are the only 2 things you have to return (**BY AUGUST 3rd**) to receive prizes! Everything else included is just added fun!

The Summer Reading Program is sponsored and funded by the Friends of the Library!

## What is Adventure Pass?

- ◊ Adventure Pass allows library patrons to check out a pass for 2 adults and 2 children\* to the Blank Park Zoo, Reiman Gardens and the Science Center of Iowa.

## How does it work?

- ◊ Library patrons (ages 18+) use their library card to check out a pass to participating venues through the library's website.
- ◊ Patrons may check out 1 pass for each venue per 365 days (May 2022-April 2023). 1 pass includes: 2 adults and 2 children
- ◊ The library has a limited number of passes, they can be checked out on a first come, first served basis, much like checking out a book.
- ◊ Reserve a pass up to 90 days in advance.

\*Adventure Passes are only available through your home library (Iowa Falls passes are available to those with a 50126 zip code)

## How do I reserve a pass?

- ◊ Go to [iowafallslib.com](http://iowafallslib.com) and click on “Adventure Pass.” Follow the on screen prompts to select a date and venue and use your library card number to reserve the pass.

## How do I use the pass to enter the venue?

- ◊ After reserving online, print the confirmation page. Present a valid photo ID and the printed pass at the gates to be admitted to the venue. Name on the pass must match the photo ID.

## How do I cancel or change a reservation?

- ◊ To cancel a reservation, call the library at 641-648-2872, by 6pm the day before your pass date. Failure to do so could prevent you from reserving that venue at a later date.

Some restrictions may apply. Visit [iowafallslib.com](http://iowafallslib.com) for more information!

Funding for the Adventure Pass is made possible by the Schiller Fund!
